About Evan:

Evan's focus is on providing insightful and supportive executive (personal & professional) coaching to business and organizational leaders. The work ranges from focused applications of strategic planning, to support for clients to gain greater insight into their internal processes and beliefs in order to move beyond habitual patterns of behavior.

Evan's background includes project-management for all aspects of large multi-phase industrial & commercial projects of up to \$30M – including multiple unions, complex client dynamics, safety issues, and high financial risk.

Evan's leadership roles have encompassed, Western Regional Construction Manager, site management for large projects, and member of the central leadership team for a non-profit educational trust in Northern Scotland.

Evan volunteers as an addictions counselor and has previously volunteered in palliative care/hospice.

Three Recent Projects:

- Team building & internal communications work with the staff of a not-for-profit organization
- Planning & facilitation of a Board development workshop.
- One-on-one coaching for business and not-for profit leaders – multi year relationships.

Education, Training, and Experience:

- 25- years construction management
- 3-1/2 –years leadership & group skills, The Findhorn Foundation
- Certified Mediator & Negotiator, Justice Institute of BC
- Vipassana Meditation – numerous 10 day and 30 day silent meditation retreats
- Training in Process Oriented Psychology's World Work (Mindell)
- Holotropic Breath Work (Grof).
