A technical problem can be devastating and costly to your Organization.</p> <p>United Community Services Co-op has formed a relationship with the Tech Co-op to provide our members with honest and affordable technical assistance.</p> <p>The Tech Co-op is a democratic organization of skilled and honest people. The goal of the Tech Co-op is to provide services at below market cost in a transparent, honest, community minded manner to community groups, small business and individuals.</p> <p><u>The Tech Co-op provides:</u></p> <ul style="list-style-type: none"> • Low Rates – the services provided by the Co-op are up to \$50 less per hour than competitor companies. • Better Technicians – The Tech Co-op knows that continuity is a big part of customer service. The Co-op attracts talented technicians because of its democratic environment, a flattened pay structure, and good staff benefits. • Ownership – For the one-time share-purchase fee of \$50 you have a lifetime membership in the Co-op and access to the Co-op's services. The share purchase makes you a member and owner of the Co-op and provides you with the opportunity to direct the Co-op's operations. It also guarantees you the best service the Co-op can provide. • Trust – As an owner/member of the Tech Co-op you are guaranteed to be treated fairly. You will never have to wonder if you're being taken again. <p><u>Joining the Tech Co-op is easy</u> To join the Tech Co-op or for more information contact their office at 604-875-TECH (8324), visit their website at www.tech.coop or send them email at chris@tech.coop</p>
